

## Candidate

*Ken Parson*

---

Surgeon and speaking tour magnet with no elective experience.

Power: Trust, add one to your roll when facing a scandal.

## Candidate

*Scoop Crawler*

---

Governor of swing state who enjoys antagonizing members of the other party.

Power: Hard nose, add one to your roll when he plays an attack ad.

## Candidate

*Nancy Kassebaum*

---

Distinguished former senator from Kansas political family who should have had a real chance to run for president, but was a woman born too soon.

Power: Knowledge, add one to your roll when she speaks.

## Candidate

*Deb Washerwoman*

---

Outspoken member of Congress from a key swing state. A frequent voice for other candidates, now running on her own.

Power: Punditry, add one to your roll when playing or facing the race or gender cards.

## Candidate

*Earnie Painter*

---

Sitting senator from New England with a strong affinity for cold winters, especially those in Scandanavia.

Power: Excited supporters constantly chanting "Feel the Pain' ", add one field office in New Hampshire that costs nothing.

## Candidate

*Mallory Hinton*

---

Former senator and secretary of state who long ago stepped out of her political husband's long shadow. Still wants the validation of winning one more race.

Power: Supporters, add one to your blue die roll when she raises money.

## Candidate

*Ronald Chump*

---

Business magnate, I'm afraid to say more. He can be a tad litigious and I wrote the disclaimer myself.

Power: Money, spends as much candidate cash as he likes. The bank knows he's good for it. Does not raise any money, never has any PAC cash.

## Candidate

*Fiona Carlson*

---

Business executive hired a few, layed off a few more.

Power: Money, add \$100K to her initial candidate fundraising.

## Candidate

Former senator from a southern state who loves to talk about the problem of climate change when he is not running for office.

Power: Knowledge, add one to your roll when he speaks.

## Candidate

*Mick Sanatarium*

---

Former purple state senator, lost big, still trying for a comeback. Wishes google observed single issue right to be forgotten in the US like it does in Europe.

Power: Stamina, this card counts as a stump card.

## Candidate

*Melodie Whiteman*

---

Retired highly successful silicon valley startup CEO. Still trying to win some public office to give back.

Power: Money, add \$50K to her initial candidate fundraising.

## Candidate

*Kristen Gilmore*

---

Sitting senator from northeastern state tired of watching inexperienced men run for the glory.

Power: Knowledge, add one to your roll when she speaks.

## Candidate

*Ed Coast*

---

Southern senator who loves Jesus and hates immigrants, except himself (he was born in Mexico, to a US mother and a Swedish father), never smiles.

Power: Persuasion, add one to your roll when he stumps.

## Candidate

*George Heartpound*

---

Senator from an outdoor state who prefers to be shirtless when not in the public eye. Not nervous enough about social media.

Power: Magnatism, add one to your roll when he stumps.

## Candidate

*Rob Quikita*

---

Life long Congress person, first House then Senate. Funny in person, stiff in public.

Power: Trust, add one to your roll when he runs a warm fuzzy ad.

## Candidate

*Jethro Shrub*

---

Fourth son of great old political family. Wonders why all these other people have bothered to run.

Power: Golden rolodex, double his PAC fundraising.
